On behalf of Mission Federal Credit Union and Monarch School, I would like to THANK YOU for your contribution to our **11<sup>th</sup> Annual Mission Federal Golf Tournament** benefiting Monarch School, *California's first accredited school for homeless children.*

On any given day, there are an estimated 2,200 homeless youth in San Diego County. The mission of Monarch School is to provide an environment where these children, who are looking for a way out of their challenging situations, can improve their lives through education. The school relies heavily on partnerships with the community and local businesses to provide a hopeful alternative for undervalued youth.

**This year's golf tournament, held on August 8, 2005 at Maderas Golf Club, raised an amazing \$66,156, a new record.** These funds will assist Monarch in the meeting the daily needs of their more than 130 students aged 6-18.

This milestone could not have been achieved without your support – thank you for making a real difference in the lives of these children.

The Monarch School Project is a non-profit 501©(3) corporation. The contribution listed below is tax deductible as allowed by law. For tax purposes, their tax ID number is 33-0871354.
