The SWC's Gift of Scholarship Gala is a wonderful opportunity to ensure that future educational goals of Southwestern College students are realized. With the substantially rising costs of higher education, it is imperative to provide schools with scholarship opportunities, so that all students are able to have a proper education and your generous donation has ensured that possibility.

Without generous help from companies such as San Diego Golf reservations we could not succeed at our year-long effort at raising much needed scholarship funds. We want to make sure you know how much we appreciate all of your support, knowing that this is not the only worthwhile cause you have been asked to support this year. We look forward to working with you again in the future. Thank you again for your commitment to higher education!
